

Supra Products of Puerto Rico, Inc.

BIODEGRADABLE & ENVIRONMENTALLY SAFE PRODUCTS . INDUSTRIAL CLEANERS . DEGREASERS . DISPERSANTS

Dear Client:

In the manufacturing industry, cleanliness is more than just a goal... it's the key to staying in business. If your plant isn't clean, your business isn't open. **SUPRA WASH**[®] understands how important it is to make certain you maintain the highest standard of safety and sanitation. Our mission is to help you control cleaning & sanitation costs, while ensuring the compliance of the environmental regulations that protect your company's good name.

SUPRA WASH[®] formulas are concentrated, heavy-duty industrial cleansers & degreasers developed with the multiple maintenance needs of the industrial market in mind. Our innovated formulations are environmentally safe, water-based, biodegradable, non-toxic, and made to be diluted according to the requirements of your maintenance projects.

Our products **SUPRA WASH**[®] and **SUPRA WASH D-L**[®] have been approved by the U.S. Dept. of Agriculture, allowing its use by the U.S. Armed Forces & U.S. Government agencies. Moreover, **SUPRA WASH**[®] products are the only manufactured products of its kind, in the Caribbean, that are registered under the prestigious National Sanitation Foundation (NSF) with the highest possible classification, "A-1".

In addition to its wide recognition and acceptance, **SUPRA WASH**[®] and **SUPRA WASH D-L**[®] formulas are proven effective for both small & large scale oil spill clean-up projects in the petroleum industry. In the Caribbean, we have been supplying one of the largest refineries in the world, HOVENSA L.L.C. in tanker truck volume orders, since 1988. Because of its long-standing relationship with HOVENSA, we've been honored, amongst their top suppliers, to participate in their distinguished "Vendor Stock Management Program".

We are confident that your company's operations will benefit significantly from the use of our first-rate products. We invite you to request samples of our **SUPRA WASH**[®] formulas for your field testing & evaluation, by calling our sales offices in Puerto Rico at (787) 752-1312.

Our thanks in advance for your interest in **SUPRA WASH**[®] products.
